Confidence: High

🚨 DO NOT APPLY — AND DO NOT PAY ANYTHING

Risk Score: 100 / 100 (HIGH RISK)

This posting carries the signals of a scam: legitimate employers never ask a candidate for money, documents or an OTP. Stop replying to the recruiter and keep what you have as evidence.

Mandatory Candidate Safety Advisory

1. Do not pay any fee — registration, training, gate pass, deposit or courier.
2. Do not share Aadhaar, PAN, bank details or any OTP.
3. Report the post and the recruiter's number at cybercrime.gov.in or on 1930.
4. Block the recruiter and leave any WhatsApp or Telegram group they added you to.

📋 100-Criteria Employment Integrity Checklist

68 passed · 5 warnings · 17 failed · 10 not assessed — **76/100** across the 90 criteria that could be evaluated

Digital Footprint & Domain 18 passed of 23 assessed

✓ Delivered over HTTPS The listing is served over an encrypted HTTPS connection.

✓ Hosted on a domain name, not a bare IP The link uses a proper domain name rather than a raw IP address.

✓ Not hidden behind a URL shortener The link resolves to a real domain rather than a URL-shortening service.

✗ Not hosted on a free form/blog host Application is hosted on a free website builder, form service, or messaging app rather than a company portal.

✓ Domain is not on a high-abuse TLD The domain does not use a TLD disproportionately associated with abuse.

✓ No punycode homograph in the domain The hostname contains no punycode encoding, ruling out a homograph impersonation.

✓ Domain is not impersonating a known brand The domain does not imitate a well-known employer's name.

✓ No brand lookalike on a cheap TLD The domain does not combine a brand name with a high-abuse TLD.

✓ Brand name not misplaced in the domain A known brand name does not appear in an unexpected position in the hostname.

✓ Domain is not keyword-stuffed The hostname is not padded with words like 'job', 'apply' and 'hiring' to game search.

✓ Domain is not hyphen- or digit-heavy The hostname is not padded with hyphens or digits, a common throwaway-domain shape.

✓ Subdomain depth is reasonable The host does not nest an unusual number of subdomains.

✓ Hostname length is reasonable The hostname is not abnormally long.

✓ Domain is not newly registered The domain is not within the window in which most fraudulent recruitment domains operate.

– Registered more than a year ago The evidence this criterion needs was not available.

! Domain age could be determined The registry did not return a registration date, so domain age is unknown.

✓ Page returned a title Page title: "Jobs & Careers – Telegram"

✓ No excessive redirect chain The link does not bounce through a long chain of redirects.
✓ No redirect to an unrelated domain The link does not hand off to a different root domain.
✓ Not flagged by Google Safe Browsing Google Safe Browsing holds no live warning for this host.
✓ Page content was retrievable The listing page was successfully retrieved and analysed.
– Host matches the employer's official domain The evidence this criterion needs was not available.
X Employer has a verified web presence Search found a suspicious web presence for this employer.
X No sender-domain mismatch in the listing Recruiter email domain ('maxcement.co.in') differs from official website domain ('t.me').
X Application is not collected on a detached host Applications are collected through t.me, a free host with no employer identity.

🛡️ Step-by-Step Candidate Action Plan

☑ ⚠️ Warning: Deep search identified suspicious signals or lack of verifiable digital footprint for this employer. Do not share documents or pay fees.

☑ Verify the opening on the company's official careers page directly.

☑ Search online for "[Company Name] job scam" or "[Company Name] fake offer" on Google and Reddit.

☑ Never pay money for registration, interview kit, training, or laptop delivery.

☑ Never share Aadhaar, PAN, bank details, or OTP before receiving a verified offer letter.

☑ Check the recruiter's identity and corporate email on LinkedIn.

☑ Report cyber fraud to the Indian National Cyber Crime Portal (cybercrime.gov.in) or call helpline 1930.
