JobCheck™
EMPLOYMENT INTEGRITY & ANTI-FRAUD AUDIT

JC-AUDIT-2026-CXF9OW

Date: 14 October 2026 at 05:17 pm IST
Framework: 100 Employment Integrity Criteria

AUDITED CORPORATE SUBJECT

Infosys Limited

https://www.linkedin.com/jobs/view/4474274683/

AUDIT INTEGRITY RATING

88 / 97 Criteria Satisfied

Confidence: High

✅ SAFE TO APPLY — THROUGH THE OFFICIAL PORTAL

Risk Score: 0 / 100 (LOW RISK)

The checks we run found no scam signals on this posting, and the web investigation turned up no reports against this employer. Apply through the company's official careers page and keep the usual habits.

MANDATORY CANDIDATE SAFETY ADVISORY

1. Apply on the official careers page and keep a copy of the posting.
2. Anyone asking you for a fee, a deposit or an OTP is not the employer — stop there.
3. Share identity documents only after a written offer from a company email address.

🏛️ 6-Pillar Employment Integrity Audit Checklist

🏛️ Legal & MCA Corporate Status — PASSED ✓

Legal Registration & Incorporation: Infosys Limited is a publicly traded company (NSE: INFY) with valid MCA registration.

📍 Physical Office Infrastructure — PASSED ✓

Physical Office & Infrastructure: Multiple verified large-scale campuses in Chennai.

🌐 Website & Domain Security — PASSED ✓

Digital Footprint & Domain: Official domain and verified LinkedIn presence with millions of followers.

👥 Workforce & Employee Reviews — PASSED ✓

Employee Reviews & Sentiment: Standard corporate feedback; no evidence of recruitment fraud.

🛡️ Cybercrime & Blacklist Screening — PASSED ✓

Fraud & Scam Threat Intelligence: No credible reports of recruitment fraud associated with official Infosys hiring channels.

📑 Hiring Process Authenticity — PASSED ✓

Hiring Process & Offer Authenticity: Standard corporate hiring process. Infosys explicitly warns against paying for jobs.

📑 Recruiter Fact-Checks & Claim Grounding

Claim Type	Recruiter Claim	Ground Truth / Verification	Status
LOCATION	"Chennai"	Company has multiple established campuses in Chennai.	VERIFIED MATCH ✓

📋 100-Criteria Employment Integrity Checklist

88 passed · 8 warnings · 1 failed · 3 not assessed — **91/100** across the 97 criteria that could be evaluated

Digital Footprint & Domain

24 passed of 25 assessed

- ✓ Delivered over HTTPS
  The listing is served over an encrypted HTTPS connection.
- ✓ Not hidden behind a URL shortener
  The link resolves to a real domain rather than a URL-shortening service.
- ✓ Domain is not on a high-abuse TLD
  The domain does not use a TLD disproportionately associated with abuse.
- ✓ Domain is not impersonating a known brand
  The domain does not imitate a well-known employer's name.
- ✓ Brand name not misplaced in the domain
  A known brand name does not appear in an unexpected position in the hostname.
- ✓ Domain is not hyphen- or digit-heavy
  The hostname is not padded with hyphens or digits, a common throwaway-domain shape.
- ✓ Hostname length is reasonable
- ✓ Hosted on a domain name, not a bare IP
  The link uses a proper domain name rather than a raw IP address.
- ✓ Not hosted on a free form/blog host
  The employer is not collecting applications through a free form, blog or messenger host.
- ✓ No punycode homograph in the domain
  The hostname contains no punycode encoding, ruling out a homograph impersonation.
- ✓ No brand lookalike on a cheap TLD
  The domain does not combine a brand name with a high-abuse TLD.
- ✓ Domain is not keyword-stuffed
  The hostname is not padded with words like 'job', 'apply' and 'hiring' to game search.
- ✓ Subdomain depth is reasonable
  The host does not nest an unusual number of subdomains.
- ✓ Domain is not newly registered

The hostname is not abnormally long.

✓ Registered more than a year ago
Domain is approximately 24.0 years old.

✓ Page returned a title
Page title: "Infosys hiring Vue JS Developer in Chennai, Tamil Nadu, India | LinkedIn"

✓ No redirect to an unrelated domain
The link does not hand off to a different root domain.

✓ Page content was retrievable
The listing page was successfully retrieved and analysed.

✓ Employer has a verified web presence
Search confirms a substantive, legitimate web presence.

✓ Application is not collected on a detached host
Applications are not collected through a free form, blog or messenger host.

✓ The domain is not within the window in which most fraudulent recruitment domains operate.

✓ Domain age could be determined
Domain registration date was retrieved from the registry.

✓ No excessive redirect chain
The link does not bounce through a long chain of redirects.

✓ Not flagged by Google Safe Browsing
Google Safe Browsing holds no live warning for this host.

✗ Host matches the employer's official domain
Listing is hosted on www.linkedin.com, but the employer's official domain appears to be https://www.infosys.com.

✓ No sender-domain mismatch in the listing
The address in the listing text does not contradict the claimed employer.

Payment & Document Demands

18 passed of 18 assessed

✓ No registration or joining fee
The listing demands no registration, joining or verification fee.

✓ No security or refundable deposit
No security, caution or refundable deposit is requested.

✓ No interview gate-pass fee
No fee is charged to attend an interview.

✓ No UPI, wallet or QR payment requested
No payment is requested via UPI, wallet or QR code.

✓ No investment or ROI scheme attached
The offer does not bundle an investment or return-on-investment scheme.

✓ No Aadhaar submission requested early
No Aadhaar document is requested before an offer.

✓ No OTP, CVV or PIN requested
No OTP, CVV or card PIN is requested.

✓ No exam or study-material fee
No fee is charged for exam papers, study material or question banks.

✓ No 'mandatory charges' framing
The listing does not frame any payment as mandatory or compulsory.

✓ No training or certification fee
No training, certification or onboarding fee is demanded.

✓ No kit, laptop or equipment charge
No charge for a kit, laptop, uniform, courier or bond is requested.

✓ No paid medical or clinic requirement
No paid medical examination or clinic visit is required.

✓ No cryptocurrency payment requested
No cryptocurrency payment is requested.

✓ No advance-salary or loan product attached
The offer does not include an advance-salary or loan product.

✓ No PAN or bank details requested early
No PAN, bank account or cheque details are requested before an offer.

✓ No unrelated personal-data harvesting
The listing does not collect personal data beyond what hiring requires.

✓ No courier or stamp-paper charge
No courier, stamp-paper or notarisation charge is requested.

✓ No payment demanded before the interview
Nothing is payable before the interview or joining date.

Compensation & Offer Realism

14 passed of 15 assessed

✓ Pay is not implausible for the role
The stated pay is plausible for the advertised role and experience level.

✓ No placement or job guarantee
No placement or job guarantee is offered.

✓ Selection does not skip the interview
The selection process involves a genuine interview stage.

✓ No task or review-commission scheme
The role is not a task, rating or commission scheme.

✓ No guaranteed daily or weekly earnings
No guaranteed recurring earnings are promised.

✓ Fresher requirements are realistic
The stated requirements match a realistic fresher profile.

✓ No overseas placement or visa fee
No overseas placement or visa-processing fee is involved.

✓ Employer identity is specific
The listing names a specific employer rather than a vague 'reputed company'.

! Salary stated as a realistic range
No realistic salary range could be identified in the listing.

✓ No instant or spot offer
The offer does not promise an instant or spot appointment.

✓ Pay not offered without skills or experience
The role does not promise high pay for no skills or experience.

✓ No MLM or referral chain
The role does not pay primarily for recruiting others.

✓ No pay-for-training funnel
The offer is not a pay-for-training-then-placement funnel.

✓ No artificial urgency or scarcity
The listing does not use countdown pressure or 'seats filling fast' tactics.

✓ No work-from-home earnings bait
The listing is not a work-from-home earnings bait post.

Legal Identity & Registration

9 passed of 13 assessed

! Employer name is stated
No clearly identifiable employer name was found in the listing text.

! Any registration claim is checkable
The listing makes no registration claim that can be checked.

– Recruiter email domain matches the employer
No recruiter email address was present to check.

✓ Corporate registration verified online
Infosys Limited is a publicly traded company (NSE: INFY) with valid MCA registration.

! Employer name matches the domain
The domain "linkedin.com" does not contain any part of the registered name "Infosys Limited".

✓ Employer verified as a legitimate entity
Publicly listed company

✓ Digital footprint is not minimal
Search found a verified digital footprint.

! Registered legal-entity suffix present
No legal-entity suffix (Private Limited / LLP / Limited) appears — many genuine listings omit it, but it cannot be confirmed from the text alone.

✓ Not contactable only via a free email
Contact details are not limited to a free consumer email address.

✓ Listing does not impersonate a known brand
The domain does not impersonate a known employer's brand.

✓ Employer name confirmed by search
Search resolved the employer to "Infosys Limited".

✓ Official corporate domain identified
Official domain identified as https://www.infosys.com.

✓ Not classified as scam-likely by search
Search findings do not classify this employer as a scam.

✓ Overall corporate identity check passed
The aggregate corporate-identity check passed.

Physical Presence & Location

9 passed of 11 assessed

! Job location is stated
No job location is stated in the listing text.

✓ Location is a specific place
The listing commits to a specific location.

✓ No location mismatch flagged
No contradiction was found between the claimed and verified location.

✓ Location verification names its source
Location evidence came from Infosys Official Website & Google Maps.

✓ Physical office check passed
Multiple verified large-scale campuses in Chennai.

✓ City references are consistent
The listing consistently refers to Chennai.

! A physical address is given
No street-level office address appears in the listing.

✓ Claimed location matches the employer's real address
Infosys has a massive, well-documented physical presence in Chennai.

✓ An independent verified address exists
Independently verified address: Infosys Limited, Mahindra World City, Chengalpattu, Chennai, Tamil Nadu 603002

✓ The location claim was fact-checked
Company has multiple established campuses in Chennai.

✓ Not remote-only with no employer address
The listing is not an addressless remote-only post.

Contact & Communication

7 passed of 8 assessed

- ✓ Not recruited primarily over WhatsApp/Telegram
  Recruitment does not run primarily through a messaging app.
- ✓ Phones are not a scatter of unrelated numbers
  The listing does not list an unusual number of unrelated contact numbers.
- – Phone not reported as spam
  No phone number was checked against spam databases.
- ✓ Contact email is corporate, not free
  Contact is not handled through a free consumer email provider.
- ✓ Reachable through an official channel
  The listing is hosted on a recognised job platform with a complaint process.
- ✓ Any listed phone number is valid
  Any phone number in the listing has a valid format and country code.
- ✓ Phone region matches the stated location
  The phone country/region matches the employer's stated location.
- – Phone matches the company's location
  No phone number was available to compare against the employer's location.
- ✓ Sender domain is consistent with the claim
  The contact address does not contradict the claimed employer.
- ! Listing provides some contact details
  The listing offers no way to contact the employer directly.

Reputation & Fraud History

7 passed of 7 assessed

- ✓ No scam warnings in employee reviews
  No employee review raises a fraud warning.
- ✓ Employee rating is not poor
  Employee rating of 3.5/5 is not a red flag.
- ✓ Employee-sentiment check passed
  Standard corporate feedback; no evidence of recruitment fraud.
- ✓ No specific scam signals were recorded
  The investigation recorded no specific scam signals.
- ✓ An employee rating was found
  Aggregate employee rating: 3.5/5.
- ✓ No scam reports on forums or complaint boards
  No credible reports of recruitment fraud associated with official Infosys hiring channels.
- ✓ Fraud-history screening passed
  No credible reports of recruitment fraud associated with official Infosys hiring channels.

🛡️ Step-by-Step Candidate Action Plan

- ☑ Verify the opening on the company's official careers page directly.
- ☑ Search online for '[Company Name] job scam' or '[Company Name] fake offer' on Google and Reddit.
- ☑ Never pay money for registration, interview kit, training, or laptop delivery.
- ☑ Never share Aadhaar, PAN, bank details, or OTP before receiving a verified offer letter.
- ☑ Check the recruiter's identity and corporate email on LinkedIn.
- ☑ Report cyber fraud to the Indian National Cyber Crime Portal (cybercrime.gov.in) or call helpline 1930.
